External Affairs  
Government of Canada*

OCTOBER 1957

## COMING EVENTS

### TUESDAY, OCTOBER 1st

Royal Astronomical Society of Canada, Toronto Centre—"Galactic Halos." Dr. Charles L. Seeger, Netherlands Foundation for Radio Astronomy, Leiden Observatory. A 30-minute film on the Dutch 85-foot radio telescope will be shown. Room 132, Physics Building. 8 p.m.

Department of French, University College—French films will be shown every Tuesday at 1.10 p.m., Room 6, U.C.

### WEDNESDAY, OCTOBER 2nd

University of Toronto—Television Program. "Live and Learn," a series of 12 Wednesday lectures by Professor D. Carlton Williams, Department of Psychology. CBLT. 6 p.m.

### FRIDAY, OCTOBER 4th

Athletics—Intermediate Football. Queen's at Varsity. Stadium. 2 p.m.

### WEDNESDAY, OCTOBER 9th

The Art Gallery of Toronto—First Open Night. "Don't Destroy Old Toronto." Professor Henry-Russell Hitchcock, Smith College. 8.30 p.m. Admission 75¢.

### THURSDAY, OCTOBER 10th

Athletics—Intermediate Football. Ryerson at Varsity. Stadium. 2 p.m.

### SATURDAY, OCTOBER 12th

Athletics—Senior Football. McGill at Varsity. Stadium. 2 p.m.

Senior and Intermediate Soccer. O.A.C. at Varsity. Front campus. 11 a.m.

### TUESDAY, OCTOBER 15th

Royal Astronomical Society of Canada, Toronto Centre—Open House for R.A.S.C. members at David Dunlap Observatory. 8 p.m.

### THURSDAY, OCTOBER 17th

Royal Ontario Museum—Extension course "So You're Going to Europe" begins. Eight lectures (\$10.00) on Thursdays at 8 p.m., Room 64.

### FRIDAY, OCTOBER 18th

Royal Ontario Museum—Open Night. Currelly Memorial Exhibition. Highlight on the Division of Art and Archaeology. 7.30 p.m. 25¢.

Athletics—Intermediate Football. Western at Varsity. 2 p.m.

### SATURDAY, OCTOBER 19th

Royal Ontario Museum—Registration for Saturday Morning Children's Club (for 8 to 14-year-olds). Saturdays until April, 1958. Fee, \$1.00.

### MONDAY, OCTOBER 21st

Organ Recital—Dr. Healey Willan, University Organist, Convocation Hall. 5 p.m.

Royal Ontario Museum—Extension course "Adventures in Archaeology" begins. Eight lectures (\$10.00) on Mondays at 8 p.m. in Room 64.

### TUESDAY, OCTOBER 22nd

Royal Ontario Museum—Extension course "Talking of Textiles"—Part I, "History of European Textiles." Six lectures (\$4.50) on Tuesdays at 2 p.m. in Textile Study Room.

### **WEDNESDAY, OCTOBER 23rd**

Royal Ontario Museum—Extension course “Art in Japan” begins. Six lectures (\$8.00) on Wednesdays at 8 p.m. in Room 64.

Athletics—Senior and Intermediate Track Championships. Varsity Stadium. 1 p.m.

### **THURSDAY, OCTOBER 24th**

Faculty of Forestry—Golden Jubilee Celebrations. Oct. 24–27.

### **FRIDAY, OCTOBER 25th**

Varsity Homecoming Weekend—Friday–Sunday. Football Clinic; Teas; Campus Tours; Variety Show; Pep Rally; Float Parade; Pre-Game Luncheon; Open Houses; Graduate Dance; New Varsity film, “Pursuit of Wisdom,” Chapel Service.

### **SATURDAY, OCTOBER 26th**

Hart House—“The Family Reunion.” By T. S. Eliot. A Hart House Theatre production. Oct. 26 to Nov. 2, inclusive. 8.30 p.m.

Athletics—Senior Football. Western at Varsity. Stadium. 2 p.m.

Senior and Intermediate Soccer. Western at Varsity. Back campus. 12 noon.

Harrier Meet. Wayne and Western. High Park. 11 a.m.

### **SUNDAY, OCTOBER 27th**

Royal Ontario Museum—Film program in memory of Dr. C. T. Currelly—“Ancient World: Egypt.” 2.30 p.m.

### **TUESDAY, OCTOBER 29th**

Royal Astronomical Society of Canada, Toronto Centre—“The Eye as an Optical Instrument.” Dr. A. Lloyd Morgan, University of Toronto, and Ophthalmologist-in-chief, Hospital for Sick Children. Room 132, Physics Building. 8 p.m.

### **WEDNESDAY, OCTOBER 30th**

Athletics—Senior and Intermediate Soccer. McMaster at Varsity. Front Campus. 3 p.m.

### **THURSDAY, OCTOBER 31st**

University College—Public Lecture Series. “Lucullus Dines.” Professor Gilbert Bagnani. West Hall, U.C. 4.30 p.m.

Athletics—Intermediate Football. Ryerson at Varsity. Stadium. 2 p.m.

## **EXHIBITIONS**

### **Royal Ontario Museum**

Oct. 8–Nov. 3—Currelly Memorial Exhibition. Armour Court and Special Exhibition Gallery—main floor.

Sept. 4–Dec. 31—International Geophysical Year Exhibition on aerial photography and some aspects of weather research.

Sept. 24–Nov. 3—Portrait Photography. Portraits by Sanford Roth. Lower Rotunda.

### **Sigmund Samuel Canadiana Gallery**

Exhibition, “The Seven Years War in Canada, 1756–1763”; also views of celebrated naval battles

### **The Art Gallery of Toronto**

Oct. 4–Oct. 20—Canadian Paintings: Gifts from the McLean and Eaton funds.

Oct. 4–Nov. 10—Loans from Private Toronto Collectors.

Oct. 25–Nov. 10–11th Annual Sale of Contemporary Canadian Art.

Wednesday Open Nights begin October 9.

## NEWS

### Administration

Dr. Murray G. Ross gave a paper, "Would the Development of a Western European Community Affect the Further Growth of the North Atlantic Community?" at the Conference on the North Atlantic Community held at Bruges, Belgium, in September.

### Arts

Principal F. C. A. Jeanneret received the honorary D. ès L. degree from the University of Montreal on May 31.

Professor R. J. Getty lectured on "Virgil in English Poetry" and gave a talk on "A. E. Housman" at the University of North Carolina on March 25.

Professor L. E. Woodbury addressed the Harvard Classical Club on "Protagoras and the Beginning of Humanism" on May 15.

Several members of the University College Department of English attended the Modern Language Association meetings at Madison, Wisconsin, in September. Professor A. S. P. Woodhouse delivered the speech at the Milton Society's annual dinner at Madison on Sept. 9. Professor H. S. Wilson gave the critical commentary on the papers offered in the Shakespeare section of the M.L.A.

Professor Woodhouse spent the summer working on his notes on Milton's early poems for the forthcoming "Variorum Commentary," to be issued as a companion to the "Columbia Milton."

Professor F. E. L. Priestley has been appointed to the editorial board of the "Journal of the History of Ideas."

Professor H. S. Wilson spent the summer at the Folger Shakespeare Library in Washington, D.C., where he worked toward the preparation of a book on Gabriel Harvey and his marginalia. While there he conducted a seminar on King James VI's visit to Cambridge University in 1615.

Professor W. D. B. Grant attended the meeting of the English Institute in New York in September, as an executive member.

At the Royal Society meeting in Ottawa in June, in a symposium entitled "The Theatre as it Affects Social Life and Institutions," a paper on "The Age of Molière" was presented by Professor C. D. Rouillard, and one on "The Victorian Age in England" by Professor F. E. L. Priestley.

Professor R. J. Williams and Mr. W. G. Lambert attended the International Congress of Orientalists held at Munich, Aug. 28-Sept. 4. Mr. Lambert presented a paper on "The Literary Structure, Background and Ideas of the Babylonian 'Poem of the Righteous Sufferer'."

Professor F. V. Winnett spent six weeks of the summer in Jordan, assisting Professor James B. Pritchard of Berkeley, California, in the excavation of ancient Gibeon. (The excavation was under the joint auspices of the University Museum, Philadelphia, and the Church Divinity School of the Pacific.)

Professor H. Boeschstein lectured to the Humanities Association in Ottawa in June on "The Contemporary German Lyric."

Rev. J. F. Madden visited Ghana with the World University Service Seminar.

Rev. C. J. Lavery travelled extensively in Europe in connection with special studies in Political Science.

The honorary degree of LL.D. was conferred on Professor D. G. Creighton, in May, by the University of Saskatchewan, and that of D.Litt. by the University of Manitoba, in June. He also received the University of Alberta National Award in Letters at the Banff School of Fine Arts, in July.

Four members of the Department of History attended the Anglo-American Conference of Historians which was held in London, England, in July. They were Professor J. B. Conacher, who read a paper entitled "Peel and the Peelites 1846-50," Mr. E. Rose and Professors B. Wilkinson and M. R. Powicke, who also read papers.

Professor J. B. Conacher spent the past year in England. He attended meetings of the Atlantic Treaty Association, as a Canadian delegate, at London, Bonn and Rome; and an Educational Conference, sponsored by the Association, in Paris. He spoke to the Southampton Branch of the Historical Association on "British Political Parties 1832-1867."

Professor Powicke also spent the past year in Britain, on fellowships granted by the Canadian Humanities Research Council and the American Social Science Research Council. He visited London, Oxford, Sheffield, and Aberystwyth Universities and read papers to the Institute of Historical Research in London.

Professor R. A. Spencer represented the University at the 500th Anniversary of Freiburg University, Freiburg im Breisgau, Germany, in June.

Professor J. M. S. Careless addressed the Northern Great Lakes Area Council on "Conserving the Historical Resources of the Upper Great Lakes Basin." During the summer he spoke at the unveiling of plaques erected by the Ontario Archaeological and Historical Sites Board at Guelph, Cobourg, Niagara-on-the-Lake and Toronto.

Professor Griffith Taylor gave 50 lectures on Australian Resources in the Department of Geography at the University of Queensland during Lent Term. In June the first monograph of the Australian Academy of Science was published. It dealt with Tropical Australia and was introduced by a paper by Professor Taylor. His book on "The Topography of Eastern New South Wales" is to be published in Sydney soon.

Professors J. H. Parker, J. A. Molinaro, K. L. Levy, D. Marín, Dr. U. Leo and Messrs. T. L. C. Dawson and W. T. McCready attended meetings of the Modern Languages Association of America at Madison.

Professor J. H. Parker was chairman of the Spanish Section of the Ontario Modern Language Teachers' Association Easter Convention, 1957. He was also elected chairman of the "Comediantes" Conference for 1958.

Professor D. Marín read a paper on "Trends in Contemporary Spanish Poetry" at the annual meeting of the Humanities Association of Canada in Ottawa in June. He was also invited to lecture at the International Academy of Spanish in Saltillo, Mexico, during July and August.

Professor K. L. Levy read a paper, "A Note on Carrasquilla's Language" before the University of Kentucky Tenth Foreign Language Conference held in Lexington in April. He was elected secretary of the Spanish American Literature Section for the 1958 meeting of the Modern Language Association of America.

Professor H. S. M. Coxeter gave a course of lectures on geometry at the summer session of the University of Michigan, and two invited addresses on "Subgroups of the Braid Group" at the Banff meeting of the Canadian Mathematical Congress in September. Professor Coxeter was awarded an honorary LL.D. degree by the University of Alberta.

Almost 1400 delegates and guests from 50 countries attended the Eleventh General Assembly of the International Union of Geodesy and Geophysics held at University from Sept. 3 to 14. Dr. J. T. Wilson, who was vice-president of the I.U.G.G. and chairman of the committee in charge of arrangements, was elected president of the Union at the closing session.

Professor Karl F. Helleiner lectured in the summer session of the University of British Columbia, and also addressed the staff seminar in the Social Sciences. The

title of his paper was "An Unknown Chapter in the Demographic History of Pre-Industrial Europe: the Sixteenth Century."

Dean Ian Macdonald addressed the Public Affairs Group of the St. Catharines Y.M.C.A.-Y.W.C.A. on "Automation and Its Effects on People," March 13. He was guest speaker at the St. Hilda's Literary Society Annual Dinner, the Victoria College Women's Athletic Association, and the University College Men's Athletic Society, in March. He addressed the North Toronto Collegiate Home and School Association on April 29 on "The World of the Academic" and the Triennial Meeting of the Association of Y.M.C.A. Secretaries of North America on "A New Economy of Welfare" in Milwaukee on May 22. Dean Macdonald also gave a paper to the annual Couchiching Conference of the Canadian Institute of Public Affairs on "A Plea and Program for Social Consumption" on August 9.

Professor K. S. Bernhardt represented the University at the International Congress of Psychology in Brussels this summer, and read a paper on "A Security Theory of Personality and Samples of Relevant Research."

Professor C. R. Myers was chairman of a session at the International Symposium on Military Psychology held in Brussels in July.

Professors Wm. Line and K. S. Bernhardt attended the meetings of the World Federation for Mental Health in Copenhagen in August.

The University was host to the Canadian Psychological Association in June when Professor W. E. Blatz was installed as president. Professors Bernhardt, Blatz, Ketchum, Myers, Northway, Shepard, Steer and Williams contributed to the program.

The Department of Oriental Languages in University College has been renamed the Department of Near Eastern Studies, and a new honour course, Modern Near Eastern Studies, has been introduced. In this course, undergraduate instruction in Arabic will be given for the first time in Canada. The Oriental Languages honour course is being replaced by one in Ancient Near Eastern Studies.

An honour course in Slavic Studies is being offered for the first time this session.

### **Applied Science and Engineering**

Professor C. Hershfield attended the 71st annual meeting of the Engineering Institute of Canada at the Banff Springs Hotel in June, where he presented a paper on the design and construction of the roof structure he devised for the Stratford Shakespearean Festival's recently built new theatre.

Professors O. J. Marshall and B. J. Haynes attended the American Society of Engineering Education, Surveying Division, convention at the Survey Camp of Washington State University, Natchez, August 5-11.

Professor W. A. M. Hewer, on leave of absence since February, 1956, as Dominion Government Engineer for the Colombo Plan in Pakistan, returned to the staff in July.

Professor K. B. Jackson attended the Educational Conference sponsored by the Engineering Institute of Canada during their annual meeting at Banff in June.

Professor A. I. Johnson was a member of the Mobil Oil Company tour of western oil fields and refineries, and attended the C.I.C. Conference in Vancouver in June.

Professor W. H. Rapson gave a paper on "Materials of Construction for Chlorine Dioxide Manufacture and Bleaching" to the Technical Section, Canadian Pulp and Paper Association, at the Western Conference at Harrison Hot Springs, B.C., in April, and at the summer meeting at Saranac Lake, N.Y., in June. During the summer Professor Rapson visited pulp mills in Alabama, Florida, New Hampshire, Ohio, Idaho, Washington, Alaska, B.C. and Alberta.

Dr. G. Sinclair attended the General Assembly of the Union Radio Scientifique

Internationale at Boulder, Colorado, Aug. 26-Sept. 6. He is chairman of Commission VI-3, Electromagnetic Theory and Antennas.

Professors G. F. Tracy, V. G. Smith, G. Sinclair, and J. M. Ham attended the American Society for Engineering Education annual convention at Cornell University in June.

Professors Tracy, Ham, G. R. Slemon and P. P. Biringer attended the summer general meeting of the American Institute of Electrical Engineers in Montreal in June.

Dr. G. N. Patterson gave a lecture on "The Research Program at the Institute of Aerophysics" to the Armament Research and Development Centre at Fort Halstead, England, on July 2, and an address on "Molecular Approach to Problems of High-Altitude, High-Speed Flight" to the Advisory Group for Aeronautical Research and Development, NATO, meeting at Scheveningen, Holland, July 8-12. Dr. Patterson was chairman of a session on hypersonic boundary layers at the meeting of the International Union for Theoretical and Applied Mechanics at the University of Freiburg, Germany, in August.

Dr. I. I. Glass visited the Technological Institute at Northwestern University, Evanston, Illinois, in April, and gave a seminar on "A Spherical Shock Tube." He discussed shock tube research and gas dynamics at the Armour Research Foundation and the Midway Laboratories, University of Chicago.

### Architecture

Professor Richard H. Grooms has just returned from Portland, Maine, where he has been director of the Neighborhood Analysis Study for their Urban Renewal Program.

### Library School

Professor Bertha Bassem has been elected councillor of the American Library Association for the 1957-60 term.

### Social Work

Dr. Stuart Jaffary has been granted leave for the current academic year to enable him to undertake a research project on "Court Sentencing of Convicted Adults in Canada" under a grant from the Cassidy Memorial Research fund.

Professor John S. Morgan has completed a five-year experiment in In-Service Training for the Government of Newfoundland. In July and August he attended the International Assembly of World University Service in Nijenroden, Holland. When there he held consultation in Amsterdam with Dr. Nijkerk, director of the United Nations Seminar on In-Service Training.

Dr. Albert Rose addressed the Fifth Annual Conference of Ontario Housing Authorities held in Fort William in June, on "The Social Purpose of Public Housing."

### Nursing

Misses Helen Carpenter and Hilda Bennett attended the International Congress of Nurses in Rome. Miss Carpenter, who is second vice-president of the Canadian Nurses' Association, addressed the Congress.

Miss Margaret McPhedran attended the Unesco Cultural Mission to Mexico.

The following staff members were admitted to membership in the Royal Society of Canada at its June meeting in Ottawa: Professors H. Boeschstein, W. T. Easterbrook, J. R. MacGillivray and G. C. Butler and Drs. R. E. Haist and A. J. Rhodes.

Recent departmental moves include that of the Construction section of the Superintendent's office, which has moved from Simcoe Hall to 5 Willcocks Street.

The Varsity Graduate office has moved back to Room 224, Simcoe Hall, and the Publicity Department back to Room 226, Simcoe Hall.

## STAFF CHANGES

### Administration

Dr. Sidney E. Smith resigned as President of the University on September 12 to take over the position of Minister of State for External Affairs. Dean M. St. A. Woodside has been appointed Acting President by the Board of Governors.

Dr. Murray G. Ross has been appointed Vice-President of the University.

### Arts

The death of Provost R. S. K. Seeley of Trinity College occurred on August 4, following a highway accident. The College is being administered by Vice-Provost Dr. George Edison.

Dr. G. H. Roper has become chairman of the Department of English in Trinity College.

F. E. W. Wetmore has been appointed to the new post of assistant dean of the Faculty of Arts.

D. S. Van Fleet has been appointed professor and head of the Department of Botany, replacing Professor H. B. Sifton, who has retired with the title professor emeritus. Professor Van Fleet was educated at Indiana University, and comes from the University of Missouri's Botany Department.

G. M. Wickens has been appointed associate professor in the Department of Near Eastern Studies, University College. He has been lecturer in Arabic and Persian in the University of Cambridge.

S. B. Chandler has been appointed associate professor in the Department of Italian, Spanish and Portuguese. He has lectured in Italian at King's College, Aberdeen, since 1950.

Duncan Fishwick is coming from McGill University to join the Classics Department of St. Michael's College, as a lecturer.

Father B. F. Sullivan has left the Department of Philosophy to return to Sir Thomas More College, University of Saskatchewan.

Rev. A. J. Denomy of the Department of French, St. Michael's College, and of the Pontifical Institute of Mediaeval Studies, died suddenly during the summer.

In the Department of History, H. C. Porter, P. Brock and John W. Bilsland have been appointed lecturers. Professor R. L. McDougall has left to take up an appointment at Carleton College.

Professor Barker Fairley has been appointed professor emeritus of German. Walter Bauer, German novelist, has joined the German staff in University College as an instructor.

J. A. Jacobs has resigned from the Department of Physics to take up duties at the University of British Columbia.

Promotions announced to the rank of professor are: Mrs. Helen B. S. Hogg (Astronomy) E. A. Joliat (French); W. W. Moorhouse (Geological Sciences); J. H. Parker (Italian, Spanish and Portuguese);

To associate professorships: J. H. Soper and K. H. Rothfels (Botany); W. A. E. McBryde (Chemistry); Miss M. Sinden (German); G. F. D. Duff (Mathematics); K. T. McNeill, Miss E. J. Allin and D. G. Ivey (Physics); Miss V. E. Engelberg (Zoology);

To assistant professorships: W. J. Mayer-Oakes (Anthropology); F. E. Winter (Art and Archaeology); L. Searle (Astronomy); J. C. Polanyi and J. A. Page (Chemistry); H. A. McPherson (English, U.C.); D. P. Kerr (Geography); J. T. Saywell and R. H. Macdonald (History); A. H. Wallace, W. A. J. Luxemburg and R. Wormleighton (Mathematics); R. McC. Farquhar (Physics); J. G. Eayrs, H. C. MacC. Eastman and S. Stykolt (Political Economy); R. C. Joyner (Psychology); J. B. Falls (Zoology).

### **Medicine**

Dr. T. S. Leeson, of Cambridge and Cardiff, has been appointed assistant professor in the Department of Anatomy.

Other newly appointed assistant professors are: Dr. A. A. Axelrad (Anatomy), Dr. H. Z. Movat (Pathology) and Dr. J. B. Armstrong (Pharmacology).

Dr. W. Boyd has been appointed professor emeritus of Pathology, and Dr. E. A. Linnell, professor emeritus of Neuropathology.

Promotion of Dr. R. B. Meiklejohn to associate professor (Obstetrics and Gynaecology) follows his appointment as chief of the same division in the Toronto Western Hospital. Also promoted to associate professors are: A. F. Howatson (Anatomy); E. Schonbaum (Banting and Best Department of Medical Research);

To assistant professorships: R. A. Gordon (Anaesthesia); R. G. Mackenzie (Anatomy); E. Schonbaum (Banting and Best Department of Medical Research); H. Hethrington, J. F. Paterson, J. L. Silversides and O. H. Warwick (Medicine); H. E. Edwards and G. A. McNaughton (Paediatrics); Mrs. M. Vera Peters (Radiology); I. B. Macdonald, D. L. MacIntosh, H. R. C. Norman and S. A. Thomson (Surgery);

To the rank of associate: R. H. Meredith and J. A. F. Vining (Anaesthesia); J. R. Bingham, J. D. L. FitzGerald, D. C. Graham, R. W. Gunton, H. C. Hair, W. A. Rowland, J. G. Watt, J. K. Wilson and E. R. Yendt (Medicine); E. S. MacDonald (Obstetrics and Gynaecology); H. Bain, M. J. O'Brien and J. S. Prichard (Paediatrics); J. D. Armstrong, J. D. Atcheson and D. Cappon (Psychiatry); H. H. Campbell, S. R. Lowrey, T. P. Morley, C. J. Robson and H. V. Slemmon (Surgery).

### **Applied Science and Engineering**

B. M. M. Carpendale, a graduate of King's College, Cambridge, has been appointed an assistant professor in the Department of Engineering Drawing.

B. Etkin has been promoted to the rank of professor (Aerophysics). Promoted to associate professors: H. S. Ribner (Aerophysics); C. E. Helwig and H. L. Macklin (Civil Engineering); W. C. Winegard (Metallurgical Engineering); to assistant professors: C. W. Dillane and B. J. Haynes (Civil Engineering); P. P. Biringer (Electrical Engineering); and H. R. Frizzle (Engineering Drawing).

### **Household Science**

Dr. Barbara McLaren, head of the Department of Household Science, has been appointed to the new post of Director of the Faculty of Household Science.

### **Education**

R. W. B. Jackson has been appointed Director of Educational Research to replace the late Dr. J. A. Long. Miss H. L. Bryans has been promoted to the rank of professor (Physical Education). Promoted to associate professors are: J. C. Spry (Industrial Arts); and J. S. Carlisle (Methods in Geography and History).

### **Forestry**

T. W. Dwight has been appointed professor emeritus of Forestry, and K. S. Armon has been promoted to an assistant professorship.

## Dentistry

Miss B. E. Quinn has been promoted to associate rank and appointed Supervisor of the Dental Hygiene course, replacing Miss A. M. Hebert (Mrs. R. Brunelle) who has resigned.

Dr. G. Nikiforuk has been promoted to the rank of professor. Promoted to associate professorships: F. Martin (Faculty Clinic) and R. S. Locke (Surgery, in charge of Dental Anaesthesia);

To assistant professorships: D. G. Woodside (Orthodontics); Miss D. F. J. Berry (Preventive Dentistry); Miss W. C. Riddle (Histology, Bacteriology and Pathology);

To the rank of Associate: A. M. Hunt (Dentistry); W. D. MacKay (Faculty Clinic and Prosthodontics); C. Reynolds, A. H. Thomson and R. M. Watson (Faculty Clinic); R. O. Fisk, R. D. Leuty, T. C. Turner and M. Yasny (Orthodontics); C. G. Monteith (Prosthodontics).

## Pharmacy

F. W. Teare has come from an industrial position in New York to be assistant professor in Pharmaceutical Chemistry. He is a graduate of the Universities of Alberta and North Carolina.

## Architecture

Milton S. Osborne has been appointed acting director of the School for 1957-58. A graduate of Ohio State and Columbia Universities, he has been for eleven years head of the Department of Architecture in Pennsylvania State University. H. H. Madill has been appointed director emeritus.

A. P. C. Adamson has been promoted to the rank of associate professor of Town and Regional Planning. A. Elken and R. H. Grooms have been promoted to assistant professorships.

## Social Work

A. J. O. Farina has been appointed assistant professor. Formerly superintendent of the Recreation Commission of Edmonton, he has been for the past two years secretary of the Recreation Division of the Canadian Welfare Council.

Richard R. Medhurst, also appointed an assistant professor, was previously attached to the U.S. Veterans Administrations Regional office in Los Angeles. He has been completing doctoral studies at the University of Southern California.

## Hygiene

Dr. Colin G. Hunter has been appointed professor and head of the Department of Physiological Hygiene. Formerly in the Banting and Best Department of Medical Research, Dr. Hunter is a graduate of the University of New Zealand and was senior specialist in Pathology in the Royal Navy.

Dr. W. Harding le Riche, formerly Research Medical Officer, Physicians Services Inc., Toronto, has been appointed research associate in the Department of Public Health.

Dr. Lachlan W. Macpherson has been appointed associate professor of microbiology. A graduate of the University of Edinburgh, he has been in charge of the virus section, Animal Diseases Research Institute, Dominion Department of Agriculture, Hull.

Dr. C. R. Robinson, lecturer in Bacteriology at the London Hospital Medical College, University of London, has been appointed FitzGerald Memorial Fellow.

## Business Administration

J. V. Poapst has been promoted to the rank of assistant professor.

## The Press

Promotions announced are: Miss F. G. Halpenny, to editor of the Press; Miss B. E. Plewman, to publications production manager; H. S. Marshall, to publications sales manager.

Three books of the University of Toronto Press were selected for display at the International Book Design 1957 Exhibition in London, England. They are: *Curious Annals*, by Beatrice Corrigan; *The Bronze Culture of Ancient China*, by W. C. White; and *Leo Smith*, by Pearl McCarthy.

The following publications have been issued by the Press since the last issue of the *Bulletin*:

*The Indians of Quetico*, by Emerson S. Coatsworth. \$1.75

*Margaret the First*, by Douglas Grant. \$4.50

*Arctic Birds of Canada*, by L. L. Snyder. \$4.75

*Manitoba: A History*, by W. L. Morton. \$5.95

*On the Design of Shakespearean Tragedy*, by Harold S. Wilson. \$5.00

*Sociometric Testing: A Guide for Teachers*, by Mary L. Northway and Lindsay Weld. \$1.95

*Edward Blake, Irish Nationalist*, by Margaret A. Banks \$5.50

*Morphine and Allied Drugs*, by A. K. Reynolds and Lowell O. Randall. \$10.00

*Goldwin Smith; Victorian Liberal*, by Elisabeth Wallace. \$5.00

*Studia Varia*, edited by E. G. D. Murray. \$4.00

*Non-Euclidean Geometry*, Third Edition, by H. S. M. Coxeter. \$5.50

*Variational Methods for Eigenvalue Problems*, by S. H. Gould. \$6.00

*Community Chest: A Case Study in Philanthropy*, by John R. Seeley, Buford H. Junker, R. Wallace Jones Jr., and the staff of Community Surveys, Inc., Indianapolis. \$7.50

*Monetary and Fiscal Thought and Policy in Canada, 1919-1939*, by Irving Brecher. \$5.25

*Canada's Crisis in Higher Education*, edited by C. T. Bissell. \$2.50

*The Government of Nova Scotia*, by J. Murray Beck. \$5.50

*Culture, Commerce, and the Community*, by Trevor F. Moore. 75¢

*Observations on Birds of Southeastern Brazil*, by Margaret H. Mitchell. Paper \$4.50, Cloth \$5.50.

*The Ontario Leaf Album*, by F. A. Urquhart. Paper \$1.95, Clothboards \$4.75

*University of Toronto Quarterly*, Vol. 26, Nos. 3 and 4. (April and July 1957)

*Canadian Historical Review*, Vol. 38, Nos. 1 and 2. (March and June 1957)

*Canadian Journal of Economics and Political Science*, Vol. 23, Nos. 2 and 3. (May and August 1957)

*University of Toronto Law Journal*, Vol. 12, No. 1. (May 1957)

## Other Books Published:

*The Christian Philosophy of Thomas Aquinas*, by Etienne Gilson; Catalogue of St. Thomas' Works, by I. T. Eschmann, O.P.; Random. \$8.00

*Souvenir de Jeunesse*, an anthology edited by C. D. Rouillard (Harcourt, Brace)

*Generators and Relations of Discrete Groups (Ergebnisse der Mathematik, Heft 14)*, by H. S. M. Coxeter and W. O. J. Moser. Springer-Verlag, DM 32.00

Copy for the November *Bulletin* should reach the Publicity Department, Room 226, Simcoe Hall (WA. 3-6611, local 232), by October 18.
